

April 6 1942

Mr Thomas F. Kelly
Board of Education
Patterson N. J.

Dear Mr Kelly:

I am writing to acknowledge receipt of your letter of April 2nd to Mr Manley. This is necessary, due to the fact Mr Manley is south with The ballclub.

I am taking the liberty of enclosing three letters from Mr Semler. I have outlined the paragraph in each one in which he speaks of Patterson. In the one dated March 23rd, he asks me to send the schedule to Patterson, as you can see. That is why I did it.

Mr Semler is now south with his club, and I am afraid if we can not adjust matters, he will not be back in time to do so. I would gladly make the trip to Patterson to see you in person, but I felt the letters would take care of the matter. We had planned to ask Mr Gotter of The Patterson news to carry the publicity of the games. Our first game was planned for May 9th, and that is not a lot of time as you know to get started with the publicity.

Will you kindly return Mr Semlers letters to me for my files. If you want me to come to Patterson I will be glad to do so. I do hope we can straighten things out, as I know all the teams scheduled in Patterson on the dates I sent you, are expecting the games to be arranged.

Very Truly Yours
